

You can find the installation files at
[\\dtcapp01\setupisc\ILSSetup\setup.exe](file://\dtcapp01\setupisc\ILSSetup\setup.exe)
(file://\dtcapp01\$.exe)

To upgrade Insignia to version 4.5.

1. Go to [\\dtcapp01\ilsupdates](file://\dtcapp01\ilsupdates) (file://\dtcapp01\$)
2. Copy the Pictures folder and all files (disregarding the numbered folders) to C:\Program Files\Insignia\Library
3. Ensure the connection file is copied from [\\dtcfsc02\TechData\Technical](file://\dtcfsc02\TechData\Technical) (file://\dtcfsc02) Resources\Repository\Insignia Connection File and placed into the c:\Program Files\Insignia\Library folder.
